

WHO ARE YOU AND FOR?

We believe that God has placed within His Church all the gifts and abilities needed to minister to the people within and outside the church. Ephesians 4:16, along with the previous verses bear this out in saying, "The whole body grows and builds itself up in love as each part does its work."

What's my "shape" got to do with it? **SHAPE** is simply and acronym for **S**piritual gifts, **H**eart, **A**bilities, **P**ersonality, and **E**xperience. All these things combine in different ways to equip and motivate us to serve the Lord in various ways.

You have a unique SHAPE which enables you to help others by putting to good use what God has given you. In an effort to help the church family connect with itself and build itself up in love, we are asking for some useful information about your gifts, training, abilities, and ways in which you might like to serve the Lord. Supplying this information in no way obligates you, but helps the leaders in the church better know the giftings and motivations of people in the church family. We want to see you using your gifts for the Lord. Please respond as fully as you would like, and feel free to make additional notes beyond what is specifically asked.

These papers can be placed in the registration box at any time. If you would like a meeting to talk about this more, make a note to that effect. Thank you.

What areas of ministry most interest you for service?
